

Investigating the usefulness of sleep and activity insight generation system

Consent form for participation in the research project *Investigating the usefulness of sleep and activity insight generation system*.

Please complete the form below by ticking the relevant boxes and signing on the line below. A copy of the completed form will be given to you for your own record.

Please Tick Box

- ☐ I confirm that the research project ***“Investigating the usefulness of sleep and activity insight generation system”*** has been explained to me. I have had the opportunity to ask questions about the project and have had these answered satisfactorily.
- ☐ I consent to the material I contribute being used to generate insights for the research project ***“Investigating the usefulness of sleep and activity insight generation system”***.
- ☐ I understand that my participation in this research is voluntary and that I may withdraw from the project at any time (until the point of data analysis) without providing a reason.
- ☐ I consent to allow the fully anonymised data to be used for future publications and other scholarly means of disseminating the findings from the research project.
- ☐ I understand that the information/data acquired will be securely stored by researchers, but that appropriately anonymised data may in future be made available to others for research purposes. I understand that the University may publish appropriately anonymised data in its research repository for verification purposes and to make it accessible to researchers and other research users.
- ☐ I agree to take part in the above ***Investigating the usefulness of sleep and activity insight generation system***.
